

**Sublimity Fire District
Safety Committee Minutes
December 31, 2008**

Call to order: Angela Hargin called the meeting to order at 4:00 p.m.

Members present: Angela Hargin, Amy Doran, Hayley Jubie

Members absent: None

Additions/Deletions to Agenda: None

Reading of Minutes: The minutes from October 21, 2008, were approved.

Suggestion Box: Empty

Old Business:

The committee discussed the opportunity to educate folks at drill. Chief Hamilton said to make all of the arrangements with Chief Patrick because he is in charge of the training calendar.

The committee noted that the lights on the indoor stairway were working!

We seem to be missing some fire extinguishers. Chief Hamilton was going to have Hayley buy some more, but then found out from one of our board members that he could purchase them from government surplus. He is going to take care of that himself.

The lack of a back step and center console on the new rescue present multiple safety issues. The safety committee will point this out to the chief. Angela has already discussed the issue with him on multiple occasions.

New Business:

It's that time of year when turnouts are supposed to be washed. Angela will take care of notifying members.

Through all of the bad weather, there has been a lack of safety problems. The department has used chains and studded tires on apparatus.

There have been some issues with traffic control. The committee discussed whether members have had the proper training and whether better signs are needed. The committee also discussed the use of "wreck ahead" sign requirements.

Adjourn: Meeting adjourned at 4:45 p.m.

Next meeting: TBA
