

**Sublimity Fire District
Safety Committee Minutes
December 14, 2006**

Call to order: Geoff McFarland called the meeting to order at 4:10 p.m.

Members present: Angela Hargin, Geoff McFarland

Members absent: Amy Manning, Tim Gardner

Additions/Deletions to Agenda: None

Reading of Minutes: The minutes from October 5, 2006, were approved.

Old Business: The chief turned down the idea of a spare set of turnouts at Station 52.

In the last month, Geoff has gone through and inspected most of the fire extinguishers at both stations. There are a few that he still needs to check with NFPA standards and see if they need to be brought in to be specially tested.

Geoff found a glove holder that can be used in one of the apparatus at Station 52. Chief Frost said to order new glove holders for Station 52.

Some of the electrical outlets around the station still need to be changed out. Chief Frost felt that was a job that could be done in-house.

The committee discussed the large, old oxygen bottles at Station 52. Geoff will pick them up and figure out where to dispose of them. Because of their age, they cannot be refilled.

New Business: None

Adjourn: Meeting adjourned at 4:55 p.m.

Next meeting: The committee still needs to do inspections for the 4th quarter. A tentative date was not set.
